Hello everybody!!

12:32am, Tues, Jan 31, 2017 by Diego85

Cello

12:32am, Tues, Jan 31, 2017 by Jared

Marissa C.

12:34am, Tues, Jan 31, 2017 by MarissaC

Oops

12:34am, Tues, Jan 31, 2017 by MarissaC

Lol

12:34am, Tues, Jan 31, 2017 by Jared

blind sight?

12:34am, Tues, Jan 31, 2017 by Diego85

How can a person zone out but still manage to drive and function correctly

12:35am, Tues, Jan 31, 2017 by MarissaC

Can that happen to someone who had a stroke?

12:35am, Tues, Jan 31, 2017 by MarissaC

Only blind to your right side of BOTH EYES! How does that work?

12:36am, Tues, Jan 31, 2017 by Diego85

Why isn't he entirely blind?

12:36am, Tues, Jan 31, 2017 by Kaitlyn

How can he see to the left but is blind in both eyes

12:36am, Tues, Jan 31, 2017 by marissa

What causes him to be able to see movements

12:36am, Tues, Jan 31, 2017 by Joseph

So since it's not that common is it treated

12:37am, Tues, Jan 31, 2017 by Jared

Could he get laser eye surgery to fix his problem?

12:38am, Tues, Jan 31, 2017 by Mez

How can you detect but not be aware?

12:38am, Tues, Jan 31, 2017 by Diego85

How could his vision be treated?

12:39am, Tues, Jan 31, 2017 by Zariyah

How can he see motion though the object has no form to him?

12:39am, Tues, Jan 31, 2017 by Jordan

So all reptiles have blind site?

12:40am, Tues, Jan 31, 2017 by MarissaC

So could reptiles not survive without blind sight

12:41am, Tues, Jan 31, 2017 by Jared

Do strokes always affect the left side of the body?

12:44am, Tues, Jan 31, 2017 by Kaitlyn

Is her pron

12:44am, Tues, Jan 31, 2017 by Krystian

**is her problem able to be treated?**

12:44am, Tues, Jan 31, 2017 by Krystian

**If she is told to draw a circle but only draws half, would she think that it's a whole circle?**

12:44am, Tues, Jan 31, 2017 by MarissaC

**Is her problem common or rare**

12:45am, Tues, Jan 31, 2017 by Jared

**If she can't see her left why did she draw a leaf on the left side?**

12:45am, Tues, Jan 31, 2017 by Jordan

**So rare as in 1 in a million**

12:49am, Tues, Jan 31, 2017 by Jared

**And can this happen in other ways like a tackle in football**

12:49am, Tues, Jan 31, 2017 by Jared

**What part of the brain is effected for david**

12:50am, Tues, Jan 31, 2017 by MarissaC

**Why do some people seem like imposters to him even though they're really what they are?**

12:50am, Tues, Jan 31, 2017 by Zariyah

**Does something have to be wrong with the brain if someone really believe people are imposters?**

12:53am, Tues, Jan 31, 2017 by MarissaC

**Why would he think he is the actual God?**

1:02pm, Tues, Jan 31, 2017 by Jordan

**What exactly happens in a seizure?**

1:02pm, Tues, Jan 31, 2017 by Diego85

**Why does he say he hurts so much**

1:03pm, Tues, Jan 31, 2017 by Jared

**What causes seizures?**

1:03pm, Tues, Jan 31, 2017 by Zariyah

**So why does he feel more emotional**

1:04pm, Tues, Jan 31, 2017 by MarissaC

**Is epilepsy seizures genetic?**

1:05pm, Tues, Jan 31, 2017 by Kaitlyn

**Do people dream of hallucinate when having a seizure**

1:06pm, Tues, Jan 31, 2017 by Jordan

**So can everyone have a different take for seizures**

1:06pm, Tues, Jan 31, 2017 by Jared
